Resolution

RESOLUTION THAT PAINESVILLE TOWNSHIP WILL PICK UP THE STATUTORILY REQUIRED EMPLOYEE CONTRIBUTION TO THE OHIO PUBLIC EMPLOYEES RETIREMENT SYSTEM FOR THE EMPLOYEES OF THE PAINESVILLE TOWNSHIP PURSUANT TO INTERNAL REVENUE CODE SECTION 414(h)(2)

WHEREAS, pursuant to federal and Ohio laws, the federal and state income taxes on a portion of the wages or salaries of the employees of the Painesville Township will be deferred if Painesville Township "picks up" (assumes and pays) the contributions statutorily required to be made by such elected officials and covered employees to Ohio Public Employees Retirement System (OPERS); AND

Whereas, Painesville Township will not incur any additional costs in the picking up of such contributions

NOW THEREFORE BE IT ORDAINED BY PAINESVILLE TOWNSHIP OHIO THAT:

Section 1: Effective first pay in April (3/23/24 - 4/5/2024 reporting dates), the full amount of the statutorily required employee contributions to OPERS shall be withheld from the gross pay of each person within any of the classes established in Section 2 herein and shall be "picked up" (assumed and paid to OPERS) by Painesville Township. This "pick up" by Painesville Township shall be designated as public employee contributions and shall be in lieu of contributions to OPERS by each person within any of the classes established in Section 2 herein. No person subject to this "pick up" shall have the option of choosing to receive the statutorily required contribution to OPERS directly instead of having it "picked up" by Painesville Township or of being excluded from the "pick up" Painesville Township shall, in reporting and making remittance to OPERS, report that the public employee contribution for each person subject to this "pick up" has been made as provided by the statute. Therefore, contributions, although designated as employee contributions, are employer-paid, and employees do not have the option to receive the contributions directly. All contributions are paid by the employer directly to the plan.

Section 2: The "pick up" by Painesville Township provided by this ordinance shall apply to all employees who are or become contributing members of OPERS, except for the position of Director of Planning and Zoning.

Section 3: The Painesville Township method of payment of salary to employees who are participants in OPERS is hereby modified as provided in Section 4, in order to provide for a salary reduction pick up of employee contributions to OPERS

Section 4: The total salary for each employee shall be the salary otherwise payable under Painesville Township policies. Such total salary of each employee shall be payable by Painesville Township in two parts: (a) deferred salary and (b) cash salary. An employee's deferred salary shall be equal to that percentage of that employee's total salary which is required from time to time by OPERS to be paid as an employee contribution by that employee, and shall be paid by Painesville Township to OPERS on behalf of that employee as a pick up and in lieu of the OPERS employee contribution otherwise payable by that employee. An employee's cash salary shall be equal to that employee's total salary less the amount of the pick up for that employee, and shall be payable, subject to applicable payroll deductions, to that employee. Painesville Township shall compute and remit its employer contributions to OPERS based upon an employee's total salary. The total combined expenditures of Painesville Township for such employees total salaries payable under applicable Painesville Township policies and the pick-up provisions of this resolution shall not be greater than the amounts it would have paid for those items had this provision not been in effect.

Section 5: The clerk are hereby authorized and directed to implement the provisions of this ordinance to institute the "pick up" of the statutorily required contributions to OPERS for those persons reflected in Section 2 herein so as to enable them to obtain the result in federal and state tax deferments.
