## New and exciting updates coming to Hadden Park!

The Trustees broke ground last month on the new pickleball courts coming to Hadden Park. The courts will be located adjacent to the pavilion, and once complete, will be fenced in and ready for play.

Phase two of park improvements will see a new playground structure, which will also be near the pavilion. The equipment has been ordered, with delivery anticipated by late summer.

Special shout out to Ralph Wilson with the Northern Ohio Buick GMC Dealers and

Classic Buick GMC in Painesville Township and John Rogers, the Executive Director of the Lake County Land Reutilization Corporation. Without the sponsorship and support of these organizations, improvements like this just wouldn't be possible.
