

The new playground equipment
at Hadden Park is being
constructed!

The talented staff in our Road
Department has been busy
preparing the site and layout for
the new play structure.

If the weather holds out, the
playground may open by this
coming weekend!

Ohio EPA Awards Painesville Township \$75,000 in Grant Funding

Our Painesville Township Road Department was recently awarded seventy five thousand dollars in grant funding by Ohio EPA's new H2Ohio Rivers Chloride Reduction Grant Program.

This funding will be used for the purchase of a brine maker, a 10,000 gallon storage tank, and a truck fill station. Painesville Township is partnering with the City of Painesville to supply brine for their winter operation as well.

The H2Ohio Rivers Program is an expansion of Governor DeWine's H2Ohio initiative. Part of the program is to reduce excessive road salt usage and encourage communities and jurisdictions responsible for winter road and surface maintenance to adopt salt best management practices. Applicants for these grants were able to apply for funding for either new salt equipment or storage facility construction to help alleviate costs to local governments across Ohio. In May 2024, Ohio EPA announced 31 communities received \$1.6 million in funding during the first round, which had over 260 applicants.

~Fall yard cleanup reminders~

The branch, limb and leaf drop off area is open each Wednesday from 7:30 am - 3:00 pm & Saturdays from 10:00 am - 2:00 pm.

Branches, no larger than 8" in diameter, as well as leaves and grass clippings will be accepted. Please remember to tarp your load to prevent littering.

This service is available to all Painesville Township residents.
No Contractors Please.

The drop off area is located behind the Service Garage, at 558 Fairport Nursery Road.

Dates to Remember:
