

New year, new goals...

2024 was a busy and productive year in the Township. Looking forward to 2025, we anticipate to see even more meaningful and impactful growth in our community.

We added new pickleball courts, replaced and added new playground equipment, and installed a state of the art brine making system at the service garage to help make our roads safer while decreasing our overall expenses.

As we look to the coming year, we will continue to find alternative and more efficient solutions to stretch the dollars we receive, in order to provide the best living and working experience for our residents.

Wishing you a happy and healthy New Year.

Your Painesville Township Trustees,
Gabe Cicconetti, Chuck Hillier and Josh Pennock

Reminder: Please remember when there is new snowfall exceeding 2 inches, parking on the street is prohibited.

Our plow drivers are busy clearing the streets, and parked cars make it difficult to clear the streets safely.
