

The new playground equipment at Hadden Park has been installed.

A new set of swings, as well as an ADA accessible swing, is also on order. Depending on the timing of delivery, they may also be installed this season.

In order to protect the park grounds and all users of the park, pickleball courts and play area, we will be installing additional paved parking along Everett Road, and a fence to prevent cars from entering the park grounds in the spring.

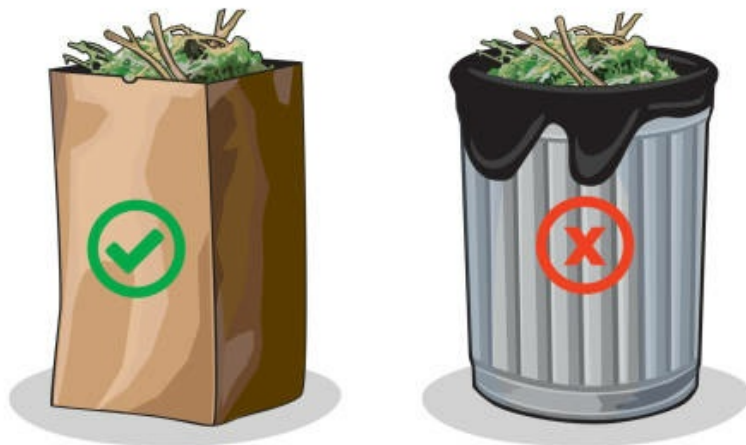

Daylight Saving Time ends at 2:00AM on November 3rd. Be sure to turn back the clocks and change the batteries in your smoke and carbon monoxide detectors!

The final Curbside Leaf Pickup is scheduled for December 7.

Please have your BAGGED
(paper bags only)
leaves at the curb by 7:30 AM.

Fall Fire Safety Reminders: If you have wood burning appliances as your source of heat or to augment your primary source, please have your chimneys and flues inspected and cleaned if necessary. Wood burning fire places, gas appliances, automobiles and electric generators all produce deadly carbon monoxide; be sure to install at least one carbon monoxide detector in your sleeping areas.

The annual Painesville Township Children's

Christmas Party is scheduled for December 14th. Due to the popularity of this event and limited space at the venue, all guests must pre-register and confirm prior to the party date.

Registration will open during the first week of November. Registration requests beyond capacity will be placed on a wait list for any cancellation openings.

ATTENTION RESIDENTS AND VISITORS TO TOWN HALL:

Town Hall will be undergoing renovations beginning November 6th. Visitors will be directed to enter through the back door, nearest to the parking lot during the beginning of the construction process.

Please pardon our dust while we work to make the
much needed updates on the building.
