

Updates, reminders and information...

After receiving some complaints recently, the Trustees reviewed the noise resolution for the Township and how it relates to and impacts the use of firearms. As a Township, we fall under Ohio Revised Code, which specifically allows, along with required guidelines related to, the use of firearms and shooting within the Township. For a copy of the Noise Resolution, [*click here*](#).

Snow Fall Reminders:

Reminder:
Please remember when there is new snowfall exceeding 2 inches, parking on the street is prohibited.

Our plow drivers are busy clearing the streets, and parked cars make it difficult to clear the streets safely.

Curbside Christmas Tree pickup will run from
January 5 through
January 30, 2026.

Please place your tree by the curb, free of all
ornaments
and decorations.

Winter is Here....

Painesville Township's Mailbox Guidelines and Snow Removal

Inspecting Your Mailbox

Property owners are encouraged to inspect their mailboxes and posts prior to the winter season each year and to replace or repair deteriorated mailboxes or posts to ensure their durability. Your mailbox should be designed and constructed to stand up to the rigors of the winter plowing season.

Design

Massive supports such as telephone poles, heavy metal posts, bricks, antique farm equipment or other similar items are considered hazards and should not be used. Any mailbox support should be designed so that if it is struck, it will bend, break or fall away from the striking vehicle to prevent severe damage to the vehicle or injury to the traveling public.

Repair or Replacement

The Painesville Township Service Department makes every effort to protect the integrity of property owner's mailboxes. However, during periods of heavy snow accumulation, mailboxes are sometimes damaged as a result of winter plowing operations. On most occasions they are knocked down or damaged by the force of the snow coming off the plow.

Please note: Painesville Township will not replace non-standard, specialty or exotic type mailboxes, and will only use breakaway type posts (4" X 4" timber posts) and a standard U.S. Postal Service approved light weight steel mailbox. Reapplication of numbers and lettering is the homeowner's responsibility.

Reporting a Damaged Mailbox:

Since roadways within the township are maintained by many different agencies, please visit our website to see who is responsible for maintaining your road to ensure you are contacting the correct agency.

To report damage done to your mailbox as a result of winter plowing operations by Painesville Township *please complete the Damaged Mailbox Form*. We will reach out to you ASAP.
