Seasonal Roadwork:

The annual road repair and paving work begins later this month.

The following roads will be repaired, beginning mid June:
Country Lane, Dunbar Court, Meadows Drive, Sunny Wood Lane,
Barley Drive, Deerfield Drive, Boulder Ridge, Falling Rock and
Stonewood Court.

Additionally, thanks to local grant funding from the Community Block Development Grant fund, Sycamore Drive, Maplewood Ave., Beech Ave., Arden Ave., Armitage St., Garden Court and Sunset Court will be resurfaced. This grant covers approximately 75% of the total cost to resurface these seven roads.

In total, 18 roads will see improvement this summer, including approximately 3.55 center lane miles. The 2026 road program is the 3rd largest paving project, by miles, and second largest in number of roads since 1990.

Safety reminder:

Smoke detectors save lives! Residents can receive **FREE** smoke detectors from the American Red Cross, and will be installed by the Painesville Township Fire Department.

Please call 216-361-5535 if you need smoke detectors installed in your home.
